YOUR JOURNEY

The *overview*

From about July to September the migration herds reach the Mara River in the far north of the Serengeti, where they gather on the banks and then plunge across in their thousands. This private safari gives you two nights right by the river, as well as Tarangire, the central Serengeti and a final day in the Ngorongoro Crater.

Highlights

- Mara River crossings in the northern Serengeti
- Central and northern Serengeti
- Tarangire's elephants
- Crater game drive with lunch at Lake Magadi
- Optional sunrise balloon flight
